To welcome you to Oxford, we would like to invite you to join us for drinks and canapés at Christ Church College at 6.30pm on 29 June.

Whilst many of you will already have had a chance to meet each other at the recent workshop, this informal get together will give you a further opportunity to meet other students currently on the Programme and discuss your research interests with them. Professor Sarah Rowland-Jones, NIH-Oxford Programme Director, and Zoe Stockdale, Graduate Studies Manager, will also be there to answer any questions you may have.

Zoe is also very happy for you to contact her directly with any specific queries before or during your visit.
