Nominations for NDM Strategic staff will be reviewed by the Head of Department, Associate Head of Department (Academic Support & Finance) and one other member of the NDM SOC who will seek broader input as appropriate. Nominations for Business Managers will be assessed in the same way but with additional input from the relevant Head of Unit.

The schedule for receipt of monthly nominations is detailed below.

Awards will be processed in the nearest available payroll run, taking account of earlier payroll deadlines around major holidays. The recipient will receive an email from the Head of Human Resources with a letter of congratulations from the Head of Department. This email will include information about the payment date and will be copied to the nominating manager and Business Manager.

Feedback to nominees who do not receive an award will be provided by the Head of Human Resources, through the nominating manager or Business Manager, as appropriate.
